PGA Jr. League takes a team approach to golf—allowing players to grow individually while fostering mentorship among teammates. Kids get a chance to have fun with friends while learning the sport of golf. Want to know more about what makes PGA Jr. League so special? Visit [PGAjr.League.com](http://PGAjr.League.com).

Our program is open to boys and girls ages 9 - 17 with no golf experience required. Our spring/summer schedule will have us playing from May into July.

New this year, PGA Jr. League has introduced the #GameChanger Club, which includes access to the local league, custom jerseys and cool team kit gear and participation in as many seasons as desired throughout the year. You'll only pay this \$99 fee once per year, and it is included in our program fee of \$399 at New England Country Club.

Each player who registers for our PGA Jr. League program will receive:

- Two high-quality team jerseys, available in boys' and girls' sizes with their last name
- Hat or visor, bag tag, stickers and drawstring bag
- PerkSpot discounts and benefits afforded through PGA
- 6-8 Team Matches (half of them will be played at New England CC)
- 6-8 Team Practices
- Team members have complimentary access to the practice area (accompanied by an adult)
- Each team member also will get a 30-minute private lesson scheduled when convenient.
- Season ending awards dinner
