## Open for 2023 Season!

We are excited to announce that starting this week we will be open full time. Reservations can be made 7 days in advance by calling the Pro Shop at 508-883-2300 x4 or by visiting our website [www.NewEnglandCountryClub.com](http://www.NewEnglandCountryClub.com)

## GPS Debut

We are thrilled to announce that we will be installing the new TagMarshal GPS system on our golf cart fleet in late April. Each monitor will display an HD color image of the course with easy to read distances to the hole as well

as to relevant course features and hazards. The system should improve your golf experience here at NECC. No more looking for hidden yardage markers; swing with confidence. We will be able to track pace of play down to the exact minute. It will provide reminders to order food in advance before your finish the front 9. When course conditions mandate, carts may be restricted from certain parts of the course.

## Ladies MNF League

We are looking for a few more players to join our Monday afternoon Ladies league. The Monday Night Fun group starts on May 8 and is a new league for us, designed to be low stress for those who many have never played in a league before. Call Mike at 508-883-2300 x14 for more information.

## Egan's Pub

Egan's Pub is now open for the season. During early April the pub will be open Wednesday through Sunday.

Be on the lookout for select beverage cart availability during the month of April. The grill at the turn will be open soon...stay tuned.

## Senior League

We are looking for a few more players to join our Tuesday morning senior league. You must be 55 or older to play. Tee times begin at 8:00 am every week. For more information call Jim at 508-883-2300 x13

## Spring Maintenance

We plan on aerating the putting greens on Tuesday and Wednesday, April 18 and 19. This schedule is weather dependent and subject to change. We are targeting to complete the front 9 on Tuesday while the back 9 will be done on Wednesday.
